

Minutes of Dec. 4, 2019 Garden State Amateur Radio Association

The meeting was opened by President Art N2AJ0 at 7:30 p.m.

The 31 members present were led in the Salute to the Flag by V-P Denis K2NPT and then introduced themselves with comments on their radio activity since the last meeting.

The President made an appeal to members to learn and use the W2GSA Remote Station.

Under health and welfare Bob W2OD mentioned the deaths of past members Steve Everette and Luis Risco.

Ryu Izawa KD2HIU of Ocean, NJ was accepted into Membership by unanimous approval after Motions by Phil N2EDX and Art W2NEZ.

Denis K2NPT gave a live demonstration of Remote W2GSA using FT8 and Phone modes. It was mentioned by Phil Chief Engineer that the Remote 6 meter band was only available for listening and a range of frequencies in the 40 meter band—these are noted on starting up the W2GSA Remote.

Submitted and posted to the W2GSA website.
