The meeting of the Garden State Amateur Radio Association was opened via Zoom at 7:38 p.m. by President Art Olson N2AJ0. The pledge of allegiance was led by VP Denis K2NPT.

It was an unusual meeting because many members, including Paul AD7I who was scheduled to make a presentation, were experiencing power outages due to a heavy wind and rainstorm and therefore could not join the meeting.

NEW MEMBER George Elliott KD2UDC was accepted into membership by unanimous votes after motions by Denis K2NPT and Allan N2NIR.

There were 15 members present, namely, N2AJ0, KA2F, K2NPT KA2IRQ, KG2NV, WB2RPW, W2OD, N2BCS, N9RJH, W2MJC, N2IR, KD2TOU, AC2F, KD2OXR, and K2MFS.

After some chatting amongst members, the meeting was closed at 8:06 p.m.
